

## Networking activity of EU projects

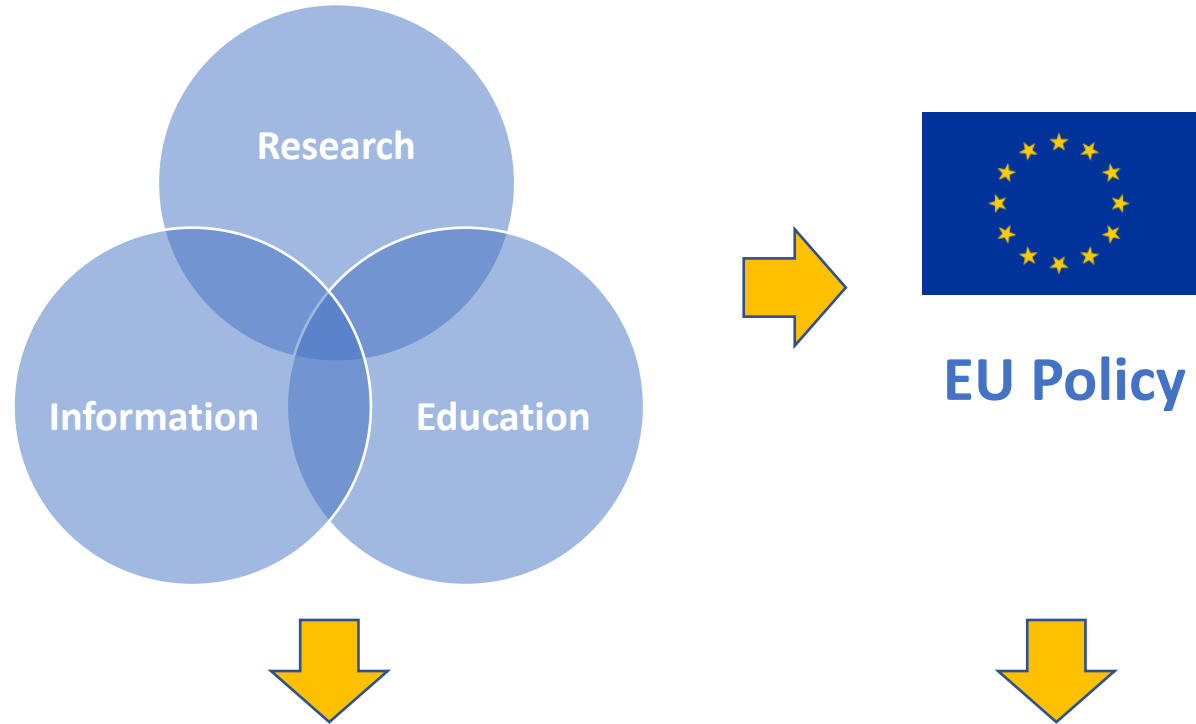

*Joining efforts and ideas to improve education in agriculture*

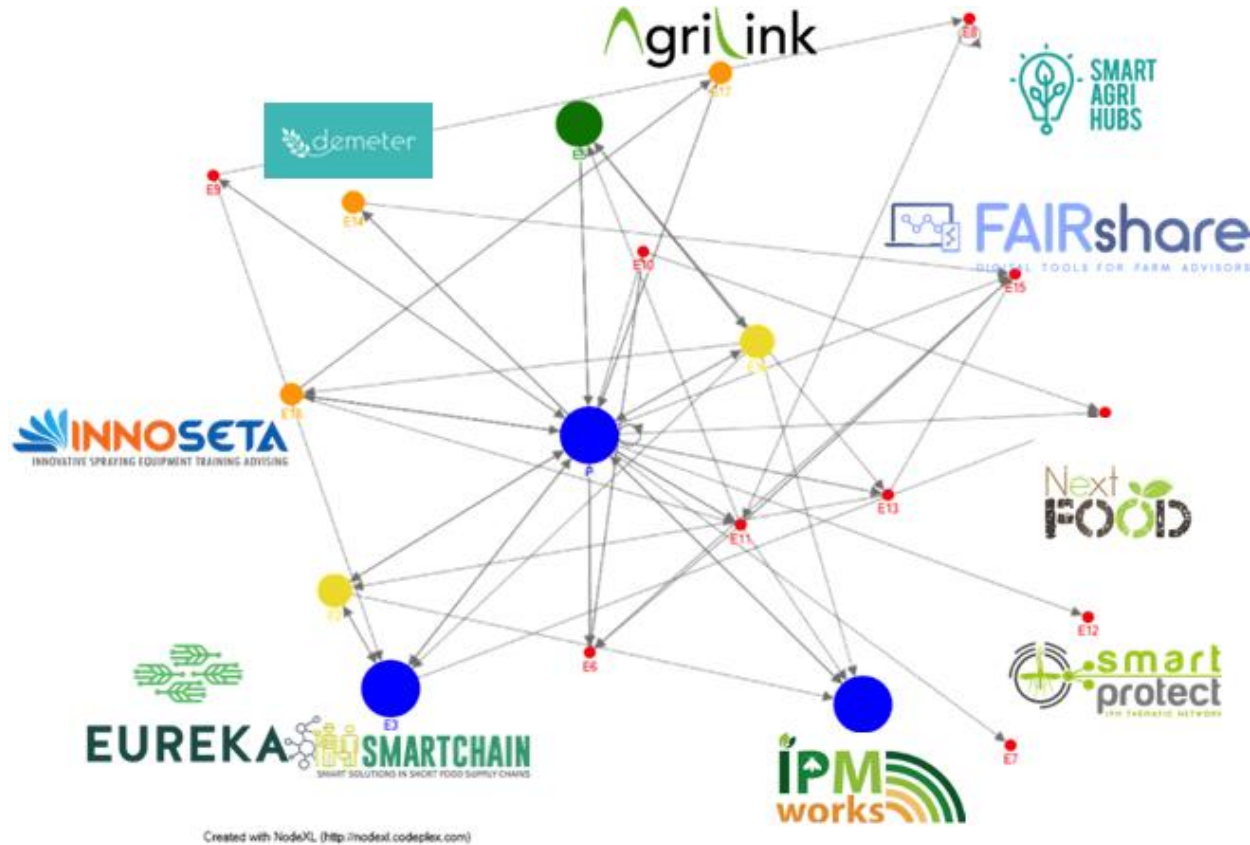

**Food safety  
Food quality  
Sustainability  
Education**

Objectives  
Problems  
Solutions  
Future ideas  
Sustainability

## Agriculture and agricultural stakeholders (farmers) is a very special target

### EU projects

- What after project deadline?
- What about farmer's adoption?
- Fill in the gap ...
- Overlapping: positive or negative

*Agricultural Knowledge and Innovation Systems  
in the CAP and Horizon Europe post 2020*

(Inge van Oost – DG AGRI)
